This authority to release rights shall not be applicable to annexation requirements imposed under the Annexation Agreement nor to the dedication of streets and easements.

All costs of collection thereon, including attorneys, fees and court costs, in addition to being a lien on each such lot so assessed, shall also be the personal obligation of the person or persons who were the owners of such property at the time such assessment or dues were levied.

27. **BINDING EFFECT OF THESE COVENANTS.** These covenants constitute covenants running with the land and shall be binding upon all persons who hold title to lots or condominium dwellings in the subdivision and upon all contract purchasers of such lots or condominium dwellings and upon their heirs, executors, administrators and assigns.

The obligation of assessments is imposed against each owner and becomes a lien upon said owner's land in Ironwood West IV Subdivision against which such assessments are made. Defaulting members shall be liable to the association for all costs and expenses including attorney's fees incurred by the association in collecting unpaid assessments. The association shall have the following powers:

A. Authority to enforce these covenants;

B. Authority to levy dues assessments.

If additional subdivisions are platted by Developer, or its assigns, in the East Half of the Southwest Quarter and the entire Southeast Quarter of Section 20, Township 19 North, Range 8 East of the Third Principal meridian in Champaign County, Illinois, with the word "Ironwood West" in the name of the subdivision, the developers of said subdivision may make lot owners in said subdivisions members of the Ironwood West Homeowners Association.

A primary purpose of said Association will be to provide for the ownership, development and maintenance and upkeep of the common areas and storm water detention basins of Ironwood West Subdivisions, as well as any under drains and appurtenances constructed within such subdivisions. Upon completion of the detention basin improvements, the Developer shall convey lots containing detention basins to the Homeowners Association, and the Association shall accept such conveyance and assume all maintenance responsibility for the basins. Such conveyance shall be subject to any easement held by the Fountainhead Drainage District.

The costs of maintaining detention basins within Ironwood West Subdivisions shall be shared equally by each subdivision based upon the ratio of the square footage of such subdivision divided by the total square footage of all subdivisions utilizing the basins. Each lot owner shall be subject to and share equally in the payment of an annual assessment for annual dues to the Association in such amounts and at such times as determined by the Board of Directors.

The common areas developed in the Ironwood West Subdivisions shall be subject to the rules and regulations established by the Ironwood West Homeowners Association, and the use of common areas and common facilities which may be provided by the Developer from time to time shall be subject to the rules and regulations established by said Homeowners' Association.

The Homeowners' Association shall have the power to make agreements with park districts, not-for-profit corporations, or any other municipal government for the maintenance of any common areas and shall have the power to convey any said common areas to said municipal government or park district subject to a vote of the majority of the Homeowners' Association, provided said property is within the jurisdictional boundaries of such municipal government or park district.

The Homeowners' Association shall establish a publicly listed telephone number and post office box in the municipality to which the subdivisions are annexed, both to be maintained and monitored by the President of the Association at the Association's expense, until such time as the purpose of the Homeowners' Association shall no longer exist.

22. **STORM WATER DETENTION BASIN AND COPPER SLOUGH CHANNEL MODIFICATIONS.** The City of Champaign requires that the Developer of the Ironwood West Subdivision, and ultimately, the Homeowners Association shall be responsible for maintenance and inspection of all drainage improvements, which includes periodic inspection of all storm water detention basins located in Ironwood West Subdivisions. The maintenance and inspection of the improvements includes periodic inspection of the basin and the copper slough channel for soil erosion, structural integrity of the inlet and outlet control structures, siltation and blockage of storm structures, mowing the side slopes and open areas of the basin and channel, and, if necessary, periodic dredging of the ponds and the bottom of the basin. The Developer shall be responsible for maintenance, inspection and expenses associated with the foregoing responsibilities until such time as the Ironwood West Homeowners Association is established, and the Common Areas are conveyed to the Homeowners Association, at which time the Homeowners Association shall assume all responsibility and expense required pursuant to this Paragraph 22. The City of Champaign will perform the inspection and maintenance only in the event the Developer or Ironwood West Homeowners Association fails to do so. In such event, the City of Champaign shall assess all inspection and maintenance costs to the Homeowners Association, and the Homeowners Association shall promptly reimburse the City of Champaign for said costs. All maintenance and inspection shall be conducted as set forth in the attached Exhibit A.

23. **ANNEXATION AGREEMENT.** All lot owners are required to annex their property to the City of Champaign as provided in an annexation agreement entered into between the Developer and the City of Champaign, Illinois. Accordingly, the Developer and each subsequent lot owner agree to cause each purchaser of a lot to execute a Petition for Annexation to the City of Champaign upon the first sale and each subsequent sale of any lot in Ironwood West IV Subdivision, until such time as the property has been properly annexed to the City of Champaign. The petition shall be delivered to the City of Champaign within a reasonable time after closing of the sale of such lot.

24. **SATELLITE DISHES AND ANTENNAS.** No satellite dishes, antennas, transmitting or broadcasting equipment, appurtenances thereto or similar equipment shall be placed, stored, kept or used upon any lot at any time either temporarily or permanently, without the approval of the Architectural Committee.

25. **AUTHORITY TO RELEASE RIGHTS.** The owners of the legal title of record of 60% of the lots in this subdivision shall have the authority from time to time to release or amend all or any part of the restrictions, conditions, covenants or reservations herein set forth, which said release or amendment shall be effective from the date that a written document setting it forth and signed by said owners shall be recorded in the Recorder's office of Champaign County, Illinois. This authority to release rights shall not be applicable to annexation requirements imposed under the Annexation Agreement nor to the dedication of streets and easements.

26. **ASSESSMENT LIENS.** Any dues, annual assessments or special assessments levied by the Ironwood West Homeowners Association shall be a charge on the lot against which it is levied or assessed and shall be a continuing lien against such lot for the amount of the dues or such assessment that is at any time unpaid. All costs of collection thereon, including attorneys, fees and court costs, in addition to being a lien on each such lot so assessed, shall also be the personal obligation of the person or persons who were the owners of such property at the time such assessment or dues were levied.

27. **BINDING EFFECT OF THESE COVENANTS.** These covenants constitute covenants running with the land and shall be binding upon all persons who hold title to lots or condominium dwellings in the subdivision and upon all contract purchasers of such lots or condominium dwellings and upon their heirs, executors, administrators and assigns.

28. **SEVERABILITY OF THESE COVENANTS.** The invalidation of any one of these covenants by a judgment of the court or by court order or injunction shall in no way affect any of the other provisions hereof and the remaining covenants shall continue in full force and effect.

29. **LOTS 430, 431, AND 432 PIPELINE EASEMENT.** An easement for construction and maintenance of a pipeline for transportation of liquids or gases is located in the Common Areas of Lots 430, 431, and 432, and no party, including the Homeowners Association, is allowed to dig, excavate, or construct improvements within twenty-five feet on either side of the center of the existing pipeline.
